NOTE

Iraq- USSR: The Soviets are continuing to assist Iraq with chemical warfare training.

25X1

25X1

[redacted] small quantities of toxic agents-- including about 20 grams of a nerve gas-- recently were brought to Iraq by two Soviet chemical officers. The toxic agents are being used in a training course the Soviets are conducting in Iraq for Iraqi chemical officers. Over the past several years military personnel from Iraq and Egypt have traveled to the USSR for chemical warfare training.
